

### BEFORE ASSEMBLING

Please make sure that you have all the parts. If there are missing parts, broken parts or duplicate parts, please call us (Kaiyoudou 06-909-1051). There will be additional charge on missing parts or broken parts after you start assembling parts together. Please make sure that you have all the parts that you need before assembling them.

\*If you break the parts accidentally, please write an inquiry letter to us for price and shipping.

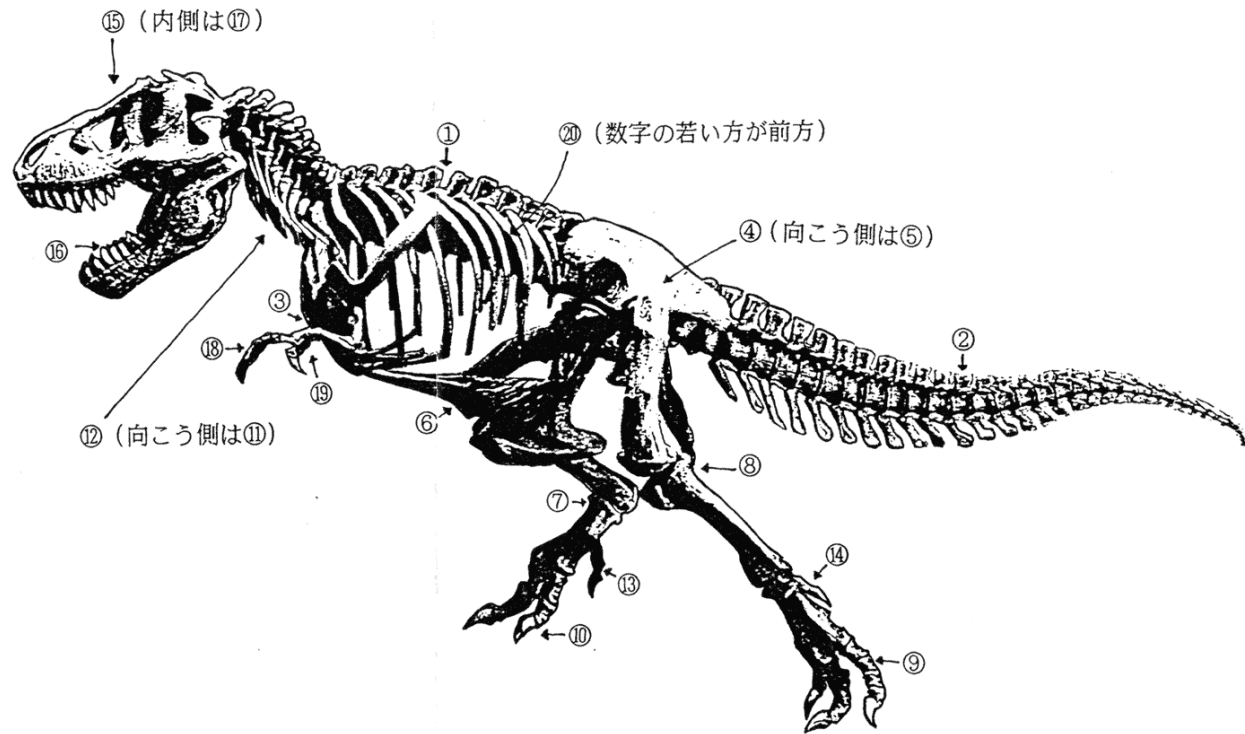

### ASSEMBLY (caution)

\*After checking all those parts are in box, please wash off all glue carefully and very well. It will be difficult to paint on parts after.

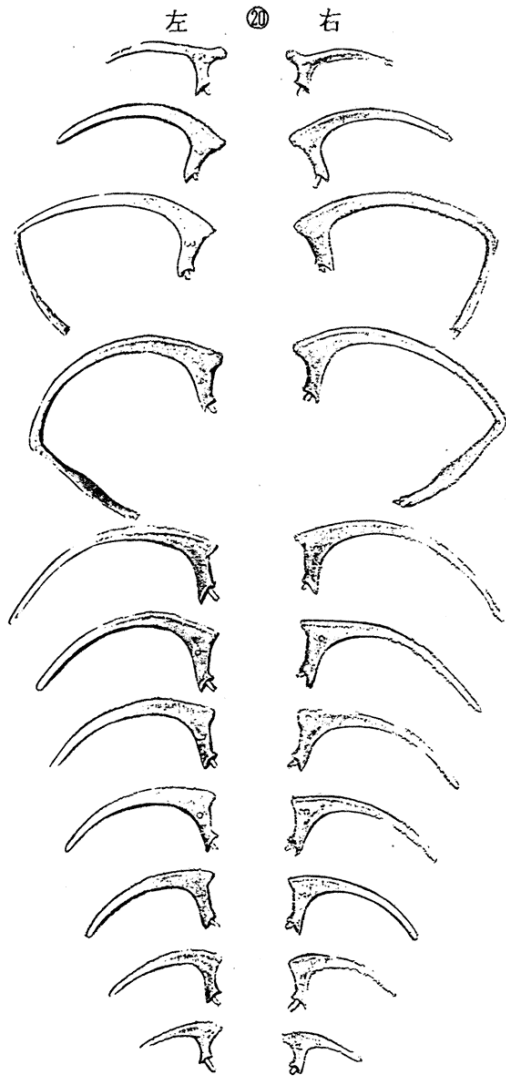

\*Each parts has burr or unwanted parts, make sure you scrape off them with a knife carefully. There will be a gap or air bubble because of complex shapes, use a instant glue to patch up and use a water-resistant paper to polish.

\*Please use a instant glue for assembling parts, do not use a regular plastic model glue.
